

# Merry Christmas and Happy New Year

December 2020

Dear Family and Friends,

Kathy and I are doing well. We are healthy, happy, and comfortable in our home. We love living in Enoch, Utah. Our home is in a great and growing neighborhood with many happy and friendly people. We have a beautiful LDS Temple nearby (temporarily closed due to COVID), and we live near the geographic crossroads of many of our 10 Children and 32 Grandchildren.

*Our 30<sup>th</sup> Wedding Anniversary. At Disneyland ...before COVID restrictions.*

Kathy is still working at Cedar City Hospital (Intermountain Healthcare). She loves her work. She is a Labor and Delivery Nurse and a Board-Certified Lactation Consultant. She loves doing what she has studied and trained for, and she loves caring for “her Moms and their babies.”

*Our Missy*

As for me, I am still retired, doing my "hobbies," and serving where I can. My furry little constant companion is Missy, our mixed Shi tzu and Lhasa apso “rescue dog.” She is sometimes a little bossy, but she fills my days with love and joy, and she makes sure I get out to walk every day.

Like most everyone, we have had an unusual year! It has been dominated by a worldwide pandemic that has claimed thousands of American lives. It has also been a year of violent protests in major cities across America. Plus, it has been a crazy political election year, unlike any election year I have ever witnessed. The major political parties and partisans seem polarized and unwilling to compromise. And I suspect all these events are somehow related. Together, they have combined to create an atmosphere of tribulation in America.

Despite this tribulation and worldwide pandemic, Kathy and I have remained healthy and hopeful for the future. We are still striving to stay calm and have faith that Heavenly Father has a plan for us. We continue to pray regularly to our God for blessings upon our great nation (the United States of America), and we strive to prayerfully follow Him. We are grateful for a living Prophet. We trust him and all the Brethren! And we pray for their continued good health and ability to lead the Church in these challenging days. We are so grateful for our Savior whose birth we celebrate this time of year. Without His great Atonement and Sacrifice we would surely be lost. His teachings and promises of Eternal Life give us hope for the future.

We thank you for all your Love and Support! We are blessed to have family and friends and to be loved. Please keep in touch and visit us if you can. We love you!
