

## Merry Christmas and Happy New Year

December 2021

Dear Family and Friends,

Kathy and I are still doing well. We have been very blessed. We are healthy, happy and comfortable in our Enoch City (Utah) home. We have a great neighborhood with many happy and friendly neighbors. Enoch is located on the north side of Cedar City, Utah. And we have a beautiful LDS Temple nearby (opening slowly). Our home is near the geographic crossroads of many of our 10 Children and 32 Grandchildren.

Kathy enjoys her work at Cedar City Hospital (Intermountain Healthcare). She is a Labor and Delivery Nurse and an International Board-Certified Lactation Consultant. She loves doing what she has studied and trained for, and she loves caring for "her mom's" and their newborns.

As for me, I am still enjoying retirement, doing my "hobbies," and serving where I can. My fuzzy little constant companion is *Missy*, our Lhasa Apso breed "rescue dog." She is sometimes a little testy with strangers, but she fills my days with love and joy, ...and she makes sure I get out and walk every day!

Kathy and I have remained healthy, happy, and hopeful during these challenging times. We are staying calm amidst some confusion and threatening events in the world, both near and far. We have faith in our Heavenly Father's great plan, and we trust in Him. We know that He loves all His children. We are also grateful for our Savior Jesus Christ whose birth we celebrate during this Holy Season. Without His Infinite Atonement and Sacrifice we would surely be lost. His teachings and His promises of Eternal Life give us hope and patience. We have Faith in Him!

We thank you for all your Love and Support! We are blessed to have family and friends and to be loved. Please keep in touch and visit us if you can. We do love you!
